The President's Corner:

Howdy Peacemakers:

Our May monthly shoot had 41 shooters enjoy a cool, but dry day. We all had fun figuring out the "Crossdraw" sweep.

Actually it was Rye and I sorting it out -- we were ready it to put in the three day -- would there be problems in shooting it?

The answer was "NO" - we just can't read!

Yes I will be going for an eye exam soon!! Don't forget next month is our 3 day annual match. Side matches start on Friday, with the Wild Bunch match starting things off in the morning, and regular side match events to start at NOON. We have some new things of interest for those who can come on Friday and a special Saturday night dinner.

Please check Ivory's column for these updates!

Hope to see everyone at the 3 day,
Lefty

A Few Minutes With Rye:

We had 15 shooters
Wednesday, nice weather, a
little cool but sunny and we
destroyed a bunch of wood!!
No one broke the board with
pistols or rifles although Kit
Colleen and Ivory Kay came
pretty darn close!

Thanks to Hershey Barr for picking up the wood and donating it to the club!
He also brought donuts as usual!
Thanks to all who helped set up and tear down.

See ya'll next month!
Rye

TG Comments by Sixgun Scotsman:

Hello Peacemakers!

Get those applications in for Thunder in the Valley. It is shaping up to be a great time. I unfortunately won't be able to attend this year. I will be on my way to End of Trail. This will be my first time attending. I'm looking forward to representing you at the Territorial Governor's meeting. Since the demise of the convention, this is the best time to discuss the issues governing our sport. If you have any ideas, or concerns about the rules, or their interpretation, please communicate those to me.

I will represent YOU at the T.G. Meeting.

Enjoy Thunder in the Valley!

A Few Comments From Damned Ol' Ranger:

Howdy Peacemakers !

We had a real nice monthly shoot with a fair to middlin' turn out -- Just two posse's. We had a good bunch on Rye's posse. We had a new shooter with us, Calico Mary, from Colorado Territory. There were no Wanted circulars that we know of on her but she is one tough Senonrita...she showed us how it's done in Lady Gunfighter Black Powder!

Welcome Calico Mary!...but beware of Rye Miles...he will tempt you to give up black powder and follow his unholy conversion to the modern evil of smokeless propellant.

How about stage six with the Cross Draw Sweep! That was our last stage and the ground was still muddy from the tears of the other posse. No one on our posse earned a "P" and promised harm to Cross Draw. That Sweep may show up again in Thunder In The Valley...so bring your cryin' towels with the chin strap.

Thunder In The Valley is moving along with some great sponsors and some great prizes. We have a new caterer for the Saturday Dinner...BBQ Ribs and Chicken, maybe some BBQ tofu, and we'll have several carry out meals from the Grafton Prison Farm for our picky eaters. Get your applications in so we can adjust the meals and order the T-Shirts. See ya' all next month.

Adios,

Damned Ol' Ranger

Ivory's Words of Wisdom:

We are busy finalizing details for the upcoming 3-day shoot, June 16-18, Thunder in the Valley 2017! So please get your apps in ASAP, as we need to have an accurate count for t-shirts, awards and food.

In addition to the regular Friday side matches which start at noon, we are also planning a Wild Bunch side match for that day (8:45 a.m. safety meeting) and a Friday evening Cowboy Movie night in the outside pavilion. (Still trying to find a theater popcorn maker or kettle corn vendor!) A full schedule of events for the whole weekend will be coming soon.

Friday night's meal will be sloppy joes, potato and/or macaroni salad and chips - at no charge, but we will be accepting donations to help cover the cost. Saturday's banquet is being catered by Charcoal Mafia BBQ from Ashland - we're looking forward to chicken and ribs, coleslaw, scalloped potatoes and smoked mac & cheese. My mouth is watering already!

We still need some help to run shifts for the side matches; we're looking at having at least two 2-hour shifts for each event. Please email Lefty at [leftyloboivorykay@zoominternet.net] if interested. Thanks to those who have already volunteered - we'll let you know your assignments soon!

If you want to camp at the range, please make sure you indicate this on your application. If you have special needs, please email Lefty at [leftyloboivorykay@zoominternet.net].

Hope to see you all there!
Ivory Kay
